The authors would like to thank others at LISU:

- J Eric Davies for advice and assistance in obtaining material.
- Mary Ashworth and Sharon Fletcher for their important contribution to the design and preparation of the report.

We would also like to acknowledge the support of the MLA, in particular Sue Howley and Simon Matty.

A list of the publications from which these statistics have been taken (and a few others of relevance) can be found at the back of this volume (*pages 181-186*). Readers are encouraged to purchase and consult them.

While the authors are alone responsible for the accuracy of the statistics and the commentary, they hope all those who have contributed will be pleased to be associated with the result.
