## Appendix B Comments on staffing structures

<b>Camden (PLS)</b>	Very difficult to quantify the amount of time spent on children's work, so I have put in those who are, for example, supporting an Early Years Librarian.
<b>Hackney (PLS)</b>	The Development Manager is a senior manager with responsibility for overseeing Children's and Young People's Services - 33% of time taken with this responsibility .
<b>Islington (SLS)</b>	Head of Service is a member of Education SMT
<b>Lambeth (PLS)</b>	We have a senior children's librarian and 3 children's librarian to manage the children's library service. Lambeth has a Literacy Development Librarian who is responsible for Bookstart. 6 Surestart Development workers employed by libraries paid for through Surestart.
<b>Tower Hamlets (SLS)</b>	Numbers include staff appointed for services to St Martin's college (1.5) and those in the Humanities Education Centre(1.5) and those working as professional librarians in primary schools (0.9)
<b>Bexley (PLS)</b>	FTE Staff includes Youth Services Librarian (2.1)
<b>Brent (PLS)</b>	Apart from myself who is professionally qualified and chartered, and the Early Year's Librarian who is also professionally qualified, the remaining staff while children's librarians are not professionally qualified.
<b>Enfield (PLS)</b>	I include all specialist teams - LPSA funded posts, NRF funded posts, Homework Centre sessional staff and Sure Start. A new post appointed in January 05 is Bookstart Coordinator.
<b>Harrow (SLS)</b>	We have no dedicated "other staff" but tap into a pool of clerical assistants in our Stock Services Section. Integrated public/SLS post was funded 50:50 by SLS and Public Library, but during the year the ratio changed to 25% by SLS and 75% by public library service.
<b>Merton</b>	During 2005-6, the SLS manager was on maternity leave and so the percentage of time spent on this work by the senior librarian responsible for joint services was more than usual.
<b>Sutton (PLS)</b>	0.5 post Children's Manager vacant
<b>Wigan (PLS)</b>	Integrated staff are in fact SLS staff funded by the library service. ILFA is being used by our Lifelong Learning Officer working with the Family Learning Unit of Wigan and Leigh College.
<b>Knowsley (PLS)</b>	The Reading and Learning Services Manager has overall responsibility for Reading, Stock Management, Outreach, Adult Learning, Children's and Schools Library Service. This role is strategic rather than operational and has therefore not been included in the staffing figures. The Children and Young People's Manager manages the Children's Public and School Library Service and is a member of the Library Management Team. This post is supported by a Children's Coordinator and 3 Family Literacy Coordinators who are currently funded by Sure Start. There is also a 0.5 Coordinator for the Right to Read Project. This post is funded by Paul Hamlyn Foundation and partner agencies.
<b>Liverpool (PLS)</b>	Children's Support Services = 1 librarian + 1 clerical support officer. Extended Bookstart Prog = 1 librarian + 1 clerical support officer (Funded by Surestart Early Years) plus 1 librarian in Community Libraries Section.

<b>Coventry (PLS)</b>	This includes 1.00 fte CYPS Manager, 2.9 fte CYPS Specialist, 1.00 fte Bookstart and Early Years Librarian
<b>Derby (PLS)</b>	FTE is an estimate as we have a range of staff - not professional librarians - working varying amounts part time and some term time only
<b>Hartlepool (PLS)</b>	One Children and Young Person's Librarian funded by libraries. One Bookstart Support Worker funded by Children's Services and managed by libraries 1.7 equivalents are Homework helpers funded by libraries.
<b>Herefordshire (PLS)</b>	We don't currently have any specific children's librarians although a new post (still awaiting confirmation of salary) has been created to cover services to children and learning. This post will sit our new Cultural Services Learning team, while responsibility for children's stock will remain with the Libraries' Reader Services team.
<b>Kingston-upon-Hull (PLS)</b>	The library assistants work across Lending Services, covering both adult and children's departments.
<b>North Somerset (PLS)</b>	Two professional posts for services to children; one post holder combines community, A/V responsibilities and children's librarianship as set out in 2:2; second post holder is a full-time children's librarian with additional responsibilities to Adult Lending Service which account for a minimum of 15% of working hours. The post holders referred to in 2: 1 - 2: 3 have both managerial and front-line responsibilities. North Somerset Library Service has no Head of Children's Service as such. Some work now supported by SureStart Librarian.
<b>Nottingham (PLS)</b>	Senior post is a job share f/t equivalent post. Posts have varying hours 18.5 - 37 hrs adding to just under 7.5 f/t equivalents. Restructuring took place during this 12 month period therefore averaged the salary spend and posts.
<b>Peterborough (PLS)</b>	Post holder currently on a secondment
<b>Plymouth (PLS)</b>	The full time public children's library specialist retired in February '06
<b>Poole (PLS)</b>	We have two Libraries Literacy Co-ordinators, but they are job-share, so have been counted as one person.
<b>Rutland (PLS)</b>	0.24 'other staff' with effect from 6 September 2005 only.
<b>Southampton (PLS)</b>	We have 3 unqualified staff working in posts that were formerly open only to qualified staff (2 FTE). We have 1 qualified member of staff who is not chartered working in Sure Start (1FTE). We have 1 unqualified member of staff working in Sure Start on a professional grade (0.75). We have 3 other designated specialist posts in neighbourhood libraries (2 FTE). The Central Children's library has a complement of 2 chartered staff (2FTE) and 4 library assistants (2.5 FTE)
<b>Windsor &amp; Maidenhead (PLS)</b>	Senior Librarian post is now a job-share and both staff are members of the Extended Library Management team and Operations Team
