

# Loughborough International – Car Parking

## Swimmers & Spectators

All swimmers and spectators must park in the Rolls Royce car park shown in the below diagram. You will be directed there by the Scouts and a charge of **£3 per day/per car** will be payable to the Scouts. Please ensure you have cash available to pay for this.

When you see Moorways and the car park entrances on your left-hand side, please continue driving past the main building, turn left at the traffic lights, and the Rolls Royce car park will be on your right. The Scouts team will direct members to the designated parking area(s).

## **Rolls Royce Car Park**

This car park should be open from 7am.

The car park is a short walk from the pool entrance.

Any blue badge holders should park in reserved spaces in Moorways main car park on the approach to the front entrance.

## Officials, Event Volunteers & Poolside Pass Holders

Parking is in the **Moorways Overflow** car park, shown in the below diagram. Members in these roles will be issued with a notice to display in their windscreen to allow the Scouts or volunteer parking assistant to direct you to the correct parking area.
