

Regulation XII - Revisions of Regulations - ARCHIVED VERSION

(Effective from 18 June 1975 until 31 July 2011)

1. All Regulations made by Senate shall be subject to annual review by Senate, or by a Faculty Board acting on behalf of Senate within terms of reference appointed by Senate, and any alterations or amendments arising therefrom shall be implemented at the commencement of the following Academic Year.
- 2.1 If there should arise what is thought to be urgent need to alter or amend any Regulation with immediate effect, application shall be made to the Senate stating the nature of the need and specifying the desired alterations or amendments.
- 2.2 Senate shall consider the application which shall be approved only if two-thirds of the members present vote in its favour.

(made June 1975)
