Loughborough University Donations Fund - Open Fund

**Amount available:**

£10,000 in amounts of up to £750 each.

**Criteria:**

- Organisations/groups must be Charnwood based
- Organisations/groups must be non-political in nature
- Only specific/identifiable projects will be considered (rather than, for example administration costs)
- Projects/activities that increase engagement between the University and the community would be particularly welcome

**Notes:**

- Successful organisations will be required to provide the University with feedback on use of the monies awarded within six months of the award.
- The University anticipates that monies awarded will normally be spent within six months of the award, but certainly within 12 months.
- All applications will be considered on merit. A decision to fund a particular project does not necessarily mean that a project of that nature will automatically be supported in the future

**Application process:**

- Bids should be submitted in writing on the appropriate application for and sent either by email or post to:
