Introduction 前言

Why study overseas? 为什么去海外留学?

In a world where business and employment is becoming increasingly global, and the number of graduates is increasing, it is essential for graduates to look for new ways to enhance their skills to compete effectively for jobs. In addition, according to UK trade and Investment, "China is THE great economic success story of the past 30 years. China's growth has been sustained and the economy grew 8.7 per cent in 2009, the best performance of all major economies." Chinese businesses are taking advantage of global markets, increasing trade with Western nations and this requires Chinese graduates to develop new skills and talents if they wish to work for these companies.

在当今的世界中，商业和就业变得越来越全球化，大学毕业生数量逐年增加，毕业生必须通过一些新方式来提高自己的能力，以在就业市场进行有效竞争。英国贸易投资署指出：中国是过去三十年经济腾飞的神话。而且中国经济一直保持着持续增长，2009年达到了8.7%的增长率，在所有主要经济体中表现最好。”中国的企业正在进入全球市场，与西方国家的贸易飞速增长。所以如果中国的毕业生希望为这些企业工作的话，他们就必须培养新的能力和才干。

Studying and working overseas can be an excellent way of building a range of skills and experience that global employers and Chinese businesses trading with the West will find attractive. In focus groups and surveys carried out by Loughborough University Careers and Employability Centre Chinese alumni gave many benefits of coming to the UK for work and study:

Preparing for UK study 为去英国留学做准备

You will come to the UK to study and doing well in your degree should be your first priority. The UK education system is very different from what you have experienced in China so it is important to prepare yourself before you come.

Chinese graduates who have studied in the UK will be able to give you helpful advice on what the differences are between Chinese and UK universities. You may know some people who you can ask about this, but if not there are a number of sources of information you can use which are listed in the resources section at the end of this leaflet.

如果来英国留学，取得良好的学业成绩应该是你的首要任务。英国与中国的教育体系完全不同，所以来英国之前作好准备工作十分重要。

在英国留过学的中国毕业生将可告诉你中国和英国的大学有什么不同。你可向认识的人了解这些情况，也可通过本宣传单最后的资源部分列出的信息来源获得信息。

Preparing for employment 为就业做准备

The graduate job markets both in the UK and China are very competitive. If you are considering working in the UK after your UK study, as an international student you will be competing against UK and European students in the search for jobs. Even if you decide to return home as a graduate, you will still face competition from graduates who remained in China. You will therefore need to demonstrate that you have made the most of your time in the UK by gaining good skills and experience in addition to a good grade in your academic degree.

英国和中国的毕业生就业市场的竞争都很激烈。如果你希望在英国留学后留在英国工作，作为一位国际学生，你将会与英国和欧洲学生一起竞争工作机会。即使你决定毕业后回国，你也会面临中国本土毕业生的竞争。因此你需要证明你在英国的学习取得了最大的收获，除了优良的学业成绩，还获得了良好的能力和经验。

Start while you are still in China 准备始于中国本科学习

Many Chinese students will want to stay in the UK after their studies to gain work experience. This can be very attractive to Chinese recruiters, particularly multinational companies seeking graduates with the ability to build relationships with foreign cultures, good skills e.g. team work and problem solving and also good English language ability.

However, to be successful in gaining employment with a UK company, Chinese candidates will have to demonstrate that they have good academic ability, good skills and some work experience, particularly related to the job they are applying for. The most successful Chinese students will start to do this during their undergraduate degree while they are still in China.

许多中国学生都希望在完成学业后留在英国，以获得工作经验。这对于中国的招聘单位来说很有吸引力，尤其是对于跨国公司——它们希望聘用适应外国文化、具备优良的技能（例如团队精神和解决问题）和杰出语言能力的毕业生。

但要就职于英国公司，中国应聘者将需要证明他们有良好的学习能力、杰出的技能和一些工作经验，尤其是与所申请工作相关的经验。最成功的中国学生在中国学习本科课程时就开始这样做了。

Academic grades 学习成绩（学业成绩）

For most graduate roles, employers will require a 2:1 for your undergraduate degree (equivalent to 60% or above in the UK). They may also be interested in the qualifications you did aged 18 (equivalent to the UK 'A' level qualification)

若雇佣毕业生担任某一职务，雇主们往往会要求毕业生的本科成绩达到2:1（相当于英国的60%或以上）。他们也可能会对你在18岁时的学历感兴趣（相当于英国的A级学历）。

Work experience 工作经验

Employers in the UK and China will value students with relevant work experience, for example, a one-year or summer placement as it will demonstrate your ability to work in a professional environment and with international cultures. Internships or part-time work can also demonstrate that you have worked in a business culture and developed skills. If you don't have work experience or it is very limited, you might want increase this before you apply for a graduate position. You will have more time and opportunities to do this during your undergraduate degree in China or before you come to the UK, particularly if you are considering a one year master's programme.

英国和中国的雇主十分看重学生的相关工作经验，例如一年实习或夏季实习，因为这可证明你在专业环境中工作和适应国际文化的能力。实习或兼职工作也可证明你在一个商业文化中工作过而且培养了能力。如果你没有工作经验或工作经验有限，你可能会希望在正式进入就业市场前获得更多的工作经验。你在中国学习大学课程时或在来英国之前会有更多的时间和机会做到这一点，尤其是在你考虑学习为期一年的硕士课程时。

Skills 能力

Employers will need you to show examples of the skills which you have developed through all the activities you have done. You can develop skills before you come to the UK by participating in voluntary work or student associations at university or by gaining work experience. Your university careers centre in China will also have activities to help you develop skills for employment.

雇主将需要你展现你通过各种方式获得的各种能力。在来英国之前，你可参加大学的志愿者活动、学生协会或通过获得工作经验来培养能力。在中国，大学的职业中心也会有一些活动来帮助你培养就业需要的各种能力。

English language 英语

Whether you are looking to work in the UK or back in your home country, employers will expect you to have developed good quality English, particularly in the areas of speaking and writing. Activities to improve your English should be increased as soon as you consider studying in the UK and could include attending conversation classes, listening to English podcasts and doing online English courses.

无论是你希望在英国或回国工作，雇主都会期望你掌握良好的英语，尤其是在说和写这两方面。一旦你考虑来英国留学，你就应该加大提高英语的力度，比如参加口语班、听英语播客和学习英语在线课程等。

Making yourself attractive to employers when you arrive in the UK

到英国后让自己对雇主有吸引力

As soon as you start your UK course you will have opportunities to gain skills and experience. The main ways of doing this are through academic studies, career development activities provided by the careers and employability centre at your university, activities outside of studies (also known as extracurricular activities) and work experience.

一旦开始学习你的课程后，你就有机会获得能力和经验。主要途径是通过学业学习、你所在大学的职业与就业能力中心提供的职业发展机会、课外活动和工作经验。

Academic studies

专业学习

The UK education system will provide many opportunities to develop skills that employers require. You will be learning your subject through a variety of different methods for example: group discussions, presentations, group coursework and extended projects called dissertations. Some ways that you can develop skills are:

- Leading a group during a group project developing your leadership ability

- Becoming a staff-student committee member, which will enable you to develop problem solving and communication skills
- Managing your coursework and assignments so that you submit work on time, developing your organisation skills

英国的教育体系提供了许多培养雇主需要的能力的机会。你将会通过不同的方法学习你的专业，例如小组讨论、演讲、小组作业和长期项目（论文）。培养能力的方式包括：

- 领导一个小组项目，以培养领导能力
- 参加小组演讲和讨论，以培养沟通能力
- 运用你的才华来帮助你的小组项目取得成功，以培养团队协作的能力
- 成为师生委员会的成员，以培养解决问题和沟通的能力
- 合理安排作业，按时提交作业，培养组织能力

They will provide appointments for you to see a careers adviser, presentations and workshops, information on careers and opportunities for you to meet employers. You can even contact some UK careers and employability centres for advice if you are thinking about coming to study at that university. All careers and employability centres will have a website providing information on employer events and presentations so you can start planning to meet employers you are interested in. Many also have special information for international students.

所在大学的职业中心可在职业发展的任何阶段为你提供帮助，例如你不知道哪些工作适合你的专业或需要获得有关简历的帮助时。它们将会为你提供职业顾问、演讲、讨论会、职业信息和会见雇主的机会。如果你考虑去某所英国大学学习的话，你甚至可以联系这所大学的职业服务处获取建议。一到英国的大学就拜访其职业服务处将会让你能够更多地了解职业发展和需要做什么才可让你对未来的雇主有吸引力。

所有职业与就业能力中心都开设有提供有关雇主举办的活动和宣讲的信息的网站。你可利用网站提供的信息开始计划会见你感兴趣的雇主。许多中心也为国际学生提供专门的信息。

Work experience

If you are in the UK on an undergraduate course you will have at least three years to gain some work experience through a number of different ways which are explained below. If you are a postgraduate master's student then you will have only one year so you will need to plan your time well and some of these options will not be open to you e.g. one-year placements

- **part-time (term-time) jobs**
This is work that fits around your studies enabling you to develop your English and valuable skills such as teamwork and communication. There opportunities on campus e.g. student representative on open days and also in local businesses e.g. working in a shop.
- **vacation jobs (full and part-time)**
Vacations provide an excellent chance for you to undertake work (paid or unpaid) directly related to your degree. This could be in the UK or in China if you return home during longer vacations.
- **placements (vacations or third year of a four-year undergraduate degree course)**
Placements are short work experience opportunities that mainly take place during summer or in the third year of study, usually related to your degree studies. It also may be possible to do this if you return to China during your vacations.
- **voluntary work (term-time or vacations)**
An excellent (but unpaid) way to get experience either in a charity, voluntary organisation or company of your choice. It allows you to develop skills and examples of volunteering are highly valued by future employers.

工作经验

如果你在英国学习本科课程，你将会至少有三年时间通过以下不同的方式获得一些工作经验。如果你是一位硕士研究生，那么你将只有一年时间，所以你需要很好地规划你的时间，而且其中有些方式不适合你，例如一年的实习。

- **兼职(学期)工作**
根据你的学习时间安排工作，可让你学习英语和培养其他重要的能力，例如团队协作和沟通。在校园（例如在开放日做学生代表）和当地的企业（例如在商店工作）都有一些机会。
- **假期工作(全职和兼职)**
假期让你有机会从事直接与专业相关的工作（有报酬或无报酬）。可在英国或在你放长假回国时从事这种工作。
- **实习（假期或4年本科的第3年）**
实习是获得短期工作经验的机会，主要在夏季或在本科的第3年进行，实习工作通常与你的专业相关。也可以在假期回中国时进行实习。
- **志愿者活动(学期或假期)**
这是一种很好的（但无报酬的）获得经验的方式，可在你选择的慈善机构、志愿者组织或企业进行。它可让你培养各种能力，雇主很看重志愿者经历。

Extracurricular activities 课外活动

This is a good way of developing skills and experience which are attractive to employers and can be very useful as the activities are based on campus. For example you could join a club or society in the Students' Union, where you could be involved in organising events, promoting the society to other students and business activities e.g. managing the budget for the club. These enable you to develop important skills such as leadership, teamwork, negotiation, organisation and problem-solving.

这是一种培养对雇主有吸引力的能力和经验的良好方式，这些活动最大的特点是在校园进行的。例如，你可加入一个俱乐部或学生会的社团，参与组织各项活动、向其他学生宣传你所在的社团和参与其他商业活动，例如管理俱乐部的预算。这些活动可培养你至关重要的例如领导、团队协作、谈判、组织和解决问题的能力。

Making yourself attractive to employers if you return to China

Careers advisers from the UK and China have conducted research into what Chinese recruiters are looking for from Chinese graduates who have chosen to study in the UK. Chinese employers will value good academic results, well developed skills and work experience and the previous section on preparing yourself for employment gives a lot of information on how to develop these. However, there are additional attributes they will also require if you wish to be successful in gaining employment in China.

They will be expecting you to have developed a better standard of English than those graduates who remained in China. The effort you make to engage with native speakers both in your studies and through work experience or extracurricular activities is vital to your success.

Chinese employers also highly value the capability to work well with foreign cultures. You will have plenty of opportunities for this during your academic study and if you gain work experience and you should develop good examples of this for your future job hunting.

One of the main concerns of Chinese employers is that returning graduates often have very high expectations of salary and the level of position they can apply for. Employers will take the view that you will need to prove yourself to earn a higher position and salary. In addition, Chinese employers also have concerns about culture. The UK working culture is very different from the Chinese working culture. Your employer will find your new knowledge of UK culture useful when dealing with foreigners, but you will still have to respect traditional Chinese values within the workplace. Keeping up to date with what is happening in the employment market in China will help you understand what Chinese employers are looking for. The next section and the resources at the end of this leaflet will give you some great ideas for preparing to return to employment in China.

如果回中国，让自己对雇主有吸引力

英国和中国的职业顾问们针对中国的招聘单位作了一些调研，旨在了解中国的招聘单位到底看重选择去英国留学的中国毕业生身上什么能力。研究表明中国的雇主看重的是优良的学习成绩、全方位拓展的能力和工作经验。在前面为就业做准备的章节中，我们为如何培养这些能力提供了许多相关信息。当然对于希望在中国找工作的毕业生来说，雇主也会有其他方面的要求。

他们将会希望你的英语水平高于从中国毕业的学生。因此，无论在学习和工作经验获得，以及参与课外活动期间，与英语为母语的人士们融为一体对于你的成功至关重要。

中国的雇主也非常看重适应外国文化的能力。在学习和获取工作经验的过程中，你将会有足够的机会来培养这一能力，你应准备好相关案例以为未来的求职做准备。

中国雇主很担心的一点是回国的留学生常常会对工资和申请的职位有很高的预期。雇主的观点是你需要证明自己才能获得更高的职位和薪水。同时，中国雇主也对文化有所担心。英国和中国在工作文化上有很大不同。在与外国人打交道时，你的雇主将会感到你对英国文化的了解是很有用的，但你仍然需要在工作场所内尊重中国的传统价值观。密切关注中国就业市场的动向将有助于你了解中国的雇主需要什么。校友建议章节将会让你了解如何准备好回中国就业。

First, to practice on any occasion, i.e. social activities, clubs events and presentations. It is a good opportunity to gain the abilities of organisation, teamwork and leadership. 我希望在一个不同的环境学习一些新的东西。然后我就选择了在英国留学。我认为在国外学习是一种很好的方式，可以体验不同的文化、结交朋友和学习很多东西。总会有一些事情出乎你的预料。

为了得到你的工作，你做了些什么？

我参加了在学校举办的雇主宣讲会。在这些宣讲过程中，你会了解在求职时应该做什么。职业中心对我很有帮助。对于每一个求职步骤，他们都会为你提供很多有用的建议。包括有关简历，工作申请表和面试等综合性反馈。咨询职业顾问可让你获得一些深层次的信息。那里的顾问都很友善，给予了我很多支持。你将会从他们那里得到许多帮助和想法。

首先，在各种场合进行练习，例如社会活动、俱乐部的活动和演讲等。这些是获得组织能力、团队协作能力和领导能力的很好的机会。其次，选择你确实感兴趣的课程。当你参与了一个喜欢的项目时，你就会努力工作、激情投入。你将会知道激情对于学习和工作来说是多么的重要。最后，要了解你希望为之工作的公司。在了解了未来的雇主之后，你将会在入职后快速地与新的团队融入到一起。而且你也会了解你是否适合那一职位和未来你希望在哪里工作。

Jodie Zhu- MSc Marketing and Management

Jodie Zhu- 营销与管理硕士学位

What did you do to get your job?

I returned to China in 2004 and started looking for jobs in May. I tried to use websites, but also used referrals from friends to find my first job.

I did short projects in companies from May until August and then started my first job in August 2004. I was referred by a friend to work on Geneva conference 2004 initiated by Republic and State of Geneva and organized by Swiss Centre and a Swiss company. I worked on this project for 1-2 months. The Swiss Chamber of Commerce then opened a new position and I was able to stay.

My boss thought I was over qualified for this position after a year's experience and she had heard of a job opportunity from one of her contacts, which she thought this would be good chance to further develop my career. This leads to working in my current company where I have done work in marketing and in operations.

Why did you choose to study in the UK?

My qualification really counts as the job market in China is so competitive. My UK education enabled me to become competitive in comparison to student from top tier universities in China. It broadened my thinking enabling me to find out about new ways of studying and gain new experiences. Making friends and building up network was important during the study as we were able to support each other and share information about job hunting. I also luckily gained help and advice from my alumni friends who had senior positions in the marketing area.

What advice would you give to students thinking about UK study?

I chose not to work as my top priority was studying. I did things with people I know, but if I was given another chance I would do things differently, participating in more social activities, gaining relevant work experience to show my capabilities, and going out to get to know more local people.

I would suggest that students take the initiative and contact alumni to ask about career areas and opportunities and enable people to get to know you. Research and see if there are job fairs or opportunities to meet employers when you go back in vacation.

为了得到你的工作，你做了些什么？

我于2004年回到中国，从5月份开始找工作。我使用了互联网，通过朋友的推荐找到了我的第一份工作。

从2004年5月份到8月份，我为一些公司做了一些小项目，然后从8月份开始了我的第一份正式工作。一个朋友介绍我参与了2004年日内瓦大会的组织工作，这一会议是由日内瓦州发起并由瑞士中心和一家瑞士公司联合组织的。我为这一项目工作了一两个月。瑞士商会然后有了一个新的职位，这样我就留了下来。

一年后，我的老板认为我的资历对于这一职位来说过高了。她从一个认识的人那里听说有一份工作，认为这一工作将会让我的职业得到很好的发展。这也就是我现在的公司，我从事有关营销和运营的工作。

你为什么选择在英国留学？

中国的就业市场竞争激烈，所以我的学历起到了很大的作用。与中国顶尖大学的学生相比，我在英国接受的教育让我很有竞争力。它开阔了我的思维，让我得以了解新的学习方式并获得新的经验。在学习期间结交朋友和建立起关系网是很重要的，这样我们就能够彼此帮助并分享有关求职的信息。而且很幸运的是，在营销领域担任高级职位的校友也给予了我帮助和建议。

对于想去英国留学的学生，你会提供什么建议？

当时我的首要任务是学习，所以我没有选择去工作。我经常和认识的人在一起。但如果第二次机会的话，我会不这么做，我会参加更多的社会活动，获得相关工作经验，以展示我的能力，而且也要出去了解更多的当地人。

我建议同学们要主动联系校友，咨询有关职业领域和机会的情况，让别人了解你。在回国度假时了解是否有招聘会或会见雇主的机会。
