**Venue: TBC**

**ONLY 26  
WORKING  
DAYS UNTIL  
HAND IN!!  
THAT'S 5  
WEEKS  
FOLKS!**

## Energy Monitors & Thermometers

Exciting news! As a result of a discussion at our Energy Workshop we have ordered a number of energy monitors that can measure the consumption of individual appliances. These are now available to borrow from [Mags](#) or Jenny. There are 27 available so feel free to borrow one!

## Auditing

**It's that time when here in Green Impact HQ we're starting to think about getting you your awards!**

Part of this process involves an audit so that you can show us the exciting things you've been up to and what you've achieved. Audits are scheduled to take place on the afternoon of Thursday March 8<sup>th</sup> with some possibility that additional ones will need to be undertaken on the morning of Friday March 9<sup>th</sup>.

We really want you to get your awards so we're asking that at least one person from each of your teams is available from 1pm – 4pm to show your auditor around. It would therefore be useful if you could have all the information to hand as indicated in 'Evaluation' column of your workbook. As part of this process some of the staff within your department/team area will be asked about events/measures that your team has implemented so please make sure your department knows what you've been up to and that there will be student auditors coming into your office on the **8<sup>th</sup> March**.

If anyone is worried or unsure about their audit then we are happy to come and give your department a pre-audit during February. Contact [Mags](#) for more info.

## Last Chance, Sign Up to our final Workshop!

Our final workshop will be taking place next Tuesday, January 31<sup>st</sup> and will cover: procurement, Greening teams, and Wider Communications.

Workshops are designed to fit around your lunch hour and last no longer than 30mins. They will run from 12.10-12.40pm with tea and coffee provided from 12.05pm and will take place in the FM Building.

There's still chance to sign up so if you are interested please email [Mags](#) with 'GI Workshop booking' in the subject line.

## GET INVOLVED

**Workshop, January 31<sup>st</sup>**  
Procurement, Greening teams & Actions plans, Wider communications. Sign up now!

### What are you up to?

Tell us about any initiatives that you have been up to as part of Green Impact, we're dying to hear!  
The Carbonites & Carbonettes are planning their own mini-environment day to promote many of the sustainability initiatives at the University but we're sure that you can do better!

### Auditors

We're starting to recruit student auditors. If you/your department works with students and would like to help us promote this vacancy then please get in touch with [Mags](#) asap.

**Have you worked out your carbon footprint yet? Click [here](#) to do so!**

**ONLY 26 WORKING DAYS UNTIL HAND IN!! THAT'S 5 WEEKS FOLKS!**

## Go Green Week

6<sup>th</sup>-12<sup>th</sup> Feb

People and Planet run Go Green Week as an opportunity to try something new and raise awareness of all things green. We won't be doing anything as a Sustainability team but this is a great opportunity for you to showcase some of your ideas, get involved with something completely different and crucially: gain points against criteria in your workbook! For more ideas visit...<http://peopleandplanet.org/gogreenweek>

## Green Impact National team sign-ups!

With many of our 46 institutions' workbooks in the final months of completion, our 105 Unions submitting theirs before Christmas, and our pilots underway, we can continue the monthly tally of teams participating!

*The infamous Blue Peter totaliser!!*

We have over **1000** teams across all of our programmes currently signed up!

## Cycling Getting You Down?

Here's a little picture to remind you why it's so great and why you are so great for using it!

## Benefits of a Bicycle
