

Proposal to Discontinue a Programme

This form is available for downloading from <http://www.lboro.ac.uk/admin/ar/templateshop/> (item 3.7) - spaces can be expanded as required.

This proposal is in Strategic/Operational Phase

1. Name of Department and Departmental contact Electronic and Electrical Engineering – Keith Gregory
2. Award and Title of programme Wireless Communications Engineering; MEng and MEng with DIS
3. Proposed date of last intake The last intake to the programme was in 2003.
4. Reasons for proposed discontinuation of programme The programme, which originated as "Communications Engineering", was intended to be the undergraduate equivalent of the successful postgraduate programme in Digital Communications Systems, however, the programme has never been successful in any incarnation with very few students recruited. The last student graduated in Summer 2007.
5. Implications for existing students and/or those accepted for admission to the programme There are no students remaining on the programme.
6. Implications for other departments (consultation form to be attached where relevant) None.
