

Proposal to Discontinue a Programme

This form is available for downloading from <http://www.lboro.ac.uk/admin/ar/templateshop/> (item 3.7) - spaces can be expanded as required.

This proposal is in Strategic/Operational Phase

| |
|--|
| 1. Name of Department and Departmental contact CHEMICAL ENGINEERING Contact Janey Briers Ext 2502 |
| 2. Award and Title of programme CGUB10 BSc Process Technology & Management, 3yr and the 4 yr sandwich course UCAS numbers H800 & H801 |
| 3. Proposed date of last intake October 2009 |
| 4. Reasons for proposed discontinuation of programme For the last few years the number of students recruited to this course has never exceeded 2-3 per annum. We can no longer justify the resources we are having to expend for these low numbers of students and it is therefore our contention that these two are no longer viable. Current student numbers: 1 Part B (Resit) 2 Part C Finalists |
| 5. Implications for existing students and/or those accepted for admission to the programme There are no students in Part A. There is one student on Part B and the student would be able to complete his BSc programme in the normal way. No students have been accepted for 2009 entry. |
| 6. Implications for other departments (consultation form to be attached where relevant) None |

Head of Department Signature:..... *CD Rielly*

Date: *13.3.09*

This proposal has been discussed with the Department and can now be submitted to the Faculty Directorate and Operations Sub-Committee.

Associate Dean (Teaching) Signature: *J.G. [Signature]*
