

Ethics Committee

Subject: Promotion of the role of Ethics Committee

Origin : Dr Brigette Vale

Action Required: To note and offer comment on proposals regarding the promotion of the work of Ethics Committee

Ethics Committee has identified the need to promote its work more widely within the University.

In addition to the training activities which have been identified elsewhere it is proposed that-

Items about ethical policies and procedures should be provided in the information provided to new students and staff.

With respect to existing students and staff, a training session and/or drop-in session could be provided by staff currently engaged with ethical activity

Hannah Baldwin from the PR Office has agreed to draft an item on the work of the Committee for internal University communication
