asked to return to the University for Monday 8th March**

Please note:

Undergraduate finalists who require access to specialist facilities for project / dissertation work can continue their on campus activity as per the [email to students](#) dated 28th January

This information was correct on 23 February 2021 but may be subject to change or addition.

School of Aeronautical, Automotive, Chemical and Materials Engineering

Undergraduate Programmes

CGUB01	Chemical Engineering
CGUM01	Chemical Engineering (not Part C)
MPUB01	Materials Engineering/Materials Science and Engineering
MPUB02	Automotive Materials
MPUB05	Biomaterials Engineering
MPUB10	Bioengineering
MPUM01	Materials Engineering/Materials Science & Engineering (not Part C)
MPUM02	Automotive Materials (not Part C)
MPUM05	Biomaterials Engineering (not Part C)
MPUM10	Bioengineering
TTUB01	Aeronautical Engineering (Part A only)
TTUB02	Automotive Engineering (Part A only)
TTUM01	Aeronautical Engineering (Part A only)
TTUM02	Automotive Engineering (Part A only)

Postgraduate Taught Programmes

MPPT02	Polymer Science and Engineering
MPPT03	Polymer Science and Technology
MPPT15	Advanced Materials Science and Engineering
MPPT16	Materials Science and Technology

School of Architecture, Building and Civil Engineering

Undergraduate Programmes

CVUB01	Civil Engineering (Part A only)
CVUB02	Architecture
CVUB21	Architectural Engineering (Part A only)
CVUM01	Civil Engineering (Part A only)
CVUM02	Architectural Engineering (Part A only)

Wolfson School of Mechanical, Electrical and Manufacturing and Engineering

Undergraduate Programmes

WSUB01	Manufacturing Engineering (Not Part A)
WSUB02	Product Design Engineering (Not Part A)
WSUB03	Mechanical Engineering
WSUB05	Sports Technology
WSUB10	Electronic and Electrical Engineering
WSUB30	Electronic and Computer Systems Engineering
WSUB35	Robotics, Mechatronics and Control Engineering
WSUM01	Manufacturing Engineering (Not Part A)
WSUM02	Product Design Engineering (Not Part A)
WSUM03	Mechanical Engineering
WSUM05	Sports Technology
WSUM10	Electronic and Electrical Engineering
WSUM30	Electronic and Computer Systems Engineering
WSUM35	Robotics, Mechatronics and Control Engineering

School of Science

Foundation Year programmes

Students taking the following modules have in person practical sessions on campus in weeks 5-7:
Physics 2, Chemistry 2, Biology 2, Engineering Science, Introduction to Circuits and Electronics

Undergraduate Programmes

CMUB01	Chemistry
CMUB06	Medicinal and Pharmaceutical Chemistry
CMUM11	Chemistry
CMUM16	Medicinal and Pharmaceutical Chemistry
MAUB25	Mathematics and Sports Science
NTUB01	Natural Sciences
NTUM01	Natural Sciences
PHUB01	Physics
PHUB02	Engineering Physics
PHUB03	Physics and Mathematics
PHUB04	Physics with Theoretical Physics
PHUB05	Physics with Astrophysics and Cosmology
PHUB07	Mathematics and Physics
PHUM01	Physics
PHUM02	Engineering Physics
PHUM04	Physics with Theoretical Physics
PHUM07	Mathematics and Physics

School of Science

Postgraduate Taught Programmes

PHPT18	Physics of Materials
COPT15	Advanced Computer Science
COPT17	Artificial Intelligence

School of Sport, Exercise and Health Sciences

Undergraduate Programmes

PSUB02	Sport and Exercise Science
PSUB03	Sport Science with Management
PSUB03	Sports Science with Management
PSUB04	Sport Science, Coaching and Physical Education
PSUB07	Sports and Exercise Science (Intercalated)
PSUB12	Human Biology
PSUB16	Biochemistry
PSUB18	Biological Sciences
PSUM06	Biochemistry
PSUM08	Biological Sciences

Postgraduate Taught Programmes

PSPT21	Musculoskeletal Sport Science and Health
PSPT22	Musculoskeletal Sport Science and Health
PSPT23	Exercise as Medicine
PSPT24	Exercise as Medicine
PSPT25	Strength and Conditioning
PSPT26	Strength and Conditioning
PSPT36	Exercise Physiology
PSPT39	Sport Biomechanics
PSPT42	Sport and Exercise Nutrition
PSPT48	Sport and Exercise Nutrition
PSPT51	Sport Biomechanics
PSPT51	Sports Biomechanics
PSPT54	Exercise Physiology
PSPT93	Education with Qualified Teacher Status in Physical Ed
PSPT94	Education with Qualified Teacher Status in Mathematics

School of Design and Creative Arts

Art and Design Foundation Studies Programme

Undergraduate Programmes

ACUB14	Fine Art
ACUB26	Textiles: Innovation and Design
ACUB44	Graphic Communication and Illustration
DSUB01	Product Design and Technology
DSUB03	Industrial Design and Technology
DSUB11	User Centred Design
ACUB02	Drama
ACUB05	Drama with English
ACUB06	English and Drama
ACUB11	Drama with Business Studies

Postgraduate Taught Programmes

DSPT01	Integrated Industrial Design
ACPT03	Graphic Design and Visualisation
ACPT04	Graphic Design and Visualisation
ACPT15	Storytelling
ACTP16	Storytelling
ACTP17	Theatre

School of Social Sciences and Humanities

Undergraduate Programmes

GYUB05	Geography and Sports Science*
GYUM01	Geography (Part D only)
HTUB06	English and Sports Science*

* Note that specific modules have in person practical elements only, and therefore this will depend on student module choices. Additional information is available from the School.

Postgraduate Taught Programmes

GYPT42	Environmental Monitoring, Research and Management
GYPT43	Environmental Monitoring, Research and Management

Students studying programmes not requiring specialist facilities whose teaching will remain online until after Easter (pending review during April)

All Programmes and Parts which are not included in the above lists do not have timetabled in person activity in specialist spaces in weeks 5-7. Teaching for these programmes will remain online until after Easter, subject to a review during April and further Government guidance. If you require further clarification, please contact your academic School who will be able to advise.
