## Respond as China

- US President Donald Trump threatened to raise tariffs on select Chinese imports
- He signaled US-China's deteriorating trade relations to the entire world
- This tweet cost the global stock markets roughly 1.36 trillion (or Australia's annual GDP)

**Donald J. Trump**   
@realDonaldTrump

For 10 months, China has been paying Tariffs to the USA of 25% on 50 Billion Dollars of High Tech, and 10% on 200 Billion Dollars of other goods. These payments are partially responsible for our great economic results. The 10% will go up to 25% on Friday. 325 Billions Dollars....

# Student testimonials

“I wanted to let you know that I thoroughly enjoyed the module overall. It was well balanced and engaging. Although different from the other modules, I liked the roleplays we did in class and how dynamic the overall process was. The guest lectures were also eye opening and useful into understanding the practicalities of the roles in the real world”

# LLP210: Inside the Profession: Diplomacy, Negotiation and Lobbying

- In-class simulations: you play the role of a lobbyist, diplomat or negotiator
- You solve a real-world problem
- Last year: the EU and the UK tackle financial services after Brexit
- You hear from professionals who lobby, negotiate and/or do diplomacy for a living

## International Governance

Chatham House research on international governance incorporates work on global governance and the rule of law.

It examines topics such as rising powers and the future of international law, the work of the United Nations, and international environmental governance.

# Our programmes

- Our programmes are designed to expose you to many different aspects of contemporary diplomacy and international governance. Experts from academia, government and industry will share their insights (and secrets, in some cases) to guide and support your own discoveries and learning.
- You will work collaboratively with academic staff and each other to enrich your studies, and will have the opportunity to become experts in topical issues such as the repercussions for global politics and trade of the UK's exit from the EU (Brexit), or the Covid-19 world pandemic.

# Student testimonials
