

Logistics

Logistics are an important cog in the Royal Air Force as they manage the movement of the people, transport, and equipment necessary to keep aircraft flying and ensure they are in the right place at the right time.

The Royal Air Force gives you opportunities you won't find in any other career. The experience you gain with us will equip you to work at the top of your field, both in the UK and overseas. You will also receive a highly competitive benefits package that includes everything from bonuses to a gym membership and discounts for you and your partner. We also offer scholarships and sponsorship to support outstanding candidates like you, to get the education you need for your career to take off.

There are a variety of roles in this trade for both full time Regulars and spare time Reserves including:

- AIR & GROUND STEWARD
- CHEF
- DRIVER
- LOGISTICS OFFICER
- MOVER
- SUPPLY, STORAGE AND DISTRIBUTION SPECIALIST

Depending on the role you choose and your experience/qualifications, your starting salary would be from £15,670+ to £27,200+ plus benefits and the initial salary after the completion of training would be from £20,000+ to £31,800+ plus benefits.
