

Medical and Medical Support

In the Medical and Medical Support team, you will deliver a high standard of care, sometimes under challenging conditions from supporting overseas combat to aeromedical evacuation and humanitarian missions. Life doesn't get much more varied or exciting. You will play a vital role in keeping our personnel fit and medically prepared for operational roles.

The Royal Air Force gives you opportunities you won't find in any other career. The experience you gain with us will equip you to work at the top of your field, both in the UK and overseas. You will also receive a highly competitive benefits package that includes everything from bonuses to a gym membership and discounts for you and your partner. We also offer scholarships and sponsorship to support outstanding candidates like you, to get the education you need for your career to take off.
