FIND A CHURCH DIRECTORY 2021/22

Finding a Church can be daunting, especially when you have so many to choose from, so what practical advice can we offer?

1. **Decide what you would like or need in a Church:**
 - Spirituality
 - Music
 - Teaching
 - Groups
 - All ages or specific student focus
 - General relevance or more specific
 - Other students/social aspect
2. Ask other students based in Loughborough about their church
3. Ask the Chaplains. They are here to help and advise, not direct.
4. Try different churches, there is nothing wrong in taking your time to discover where the right place for you is.
5. Remember there are student groups on campus that might meet some of your needs that the church you choose does not.
6. Don't forget that the Chaplains are here to help - not only in choosing a church, but in supporting you in many ways as you study and make decisions about your life

Remember that whilst all Churches are seeking to help you make sense of God and life, not all will suit you personally, even if they suit others around you.
