# U.A.U. AT BIRMINGHAM

Two Loughborough Teams competed in the UAU at Birmingham University on Saturday 10th March.

Both teams fought well, the B. Team losing to Heriot-Watt and the A. Team to Birmingham 'A'. WEHO went on to win 2 more rounds.

In the individual events, Chuckamore 'Nick' Bonga fought his way into the last eight (from A Pool of 200 plus) - a brilliant performance! Several White Belts won 2 or 3 fights against people 2/3 grades above them.

Loughborough gave a good performance, as for most people this was their first competition.

Jerry Walker and John Hamilton also competed in the senior kata, and although better than some of the blackbelts, were knocked out in the 1st round.

### AMERICAN FOOTBALL

Final preparations for next terms American Football five-a-side 'touch' league are now well underway. Members (and anyone else interested in joining) should attend at least one of the training sessions taking place this week - Friday 16th March and Tuesday 20th, 6.30p.m. behind the Union. At these sessions players will be assigned to teams for league matches. Once underway, only whole teams will be admitted. It is intended that teams will battle against each other for one hour - no half time with a view to winning the first L.S.U.A.F.P.C. league championship trophy!!!

Competition is expected to be fierce, and the aim is to have fun but the educational value of this training should not be overlooked by those who hope to play in "kitted up" games in the future.

Anyone is welcome to attend this terms remaining sessions, there will also be an informal session behind the U.B. on Sunday afternoon.

G. COWLEY - PRESIDENT

P.S. If you have a ball, can you bring it with you? - Thanks.

### WOMEN

WHITBREAD ANNUAL WOMENS' RUGBY TOURNAMENT SUNDAY 11TH MARCH

LOUGHBOROUGH DO IT AGAIN!

The Lufbra girls showed their true ability as, defending champions on Sunday by winner their annual tournament for the fourth year running. This was no easy task with the standard of the rugby greatly improved from previous years and 12 teams competing. As well as organising the day the girls managed to play some good rugby and proved to everyone they are worthy winners with no tries scored against them all day.

They beat Sheffield and Aberystwyth in their pool and went on to the final by beating York in the Semi. The final was probably the best rugby Lufbra played all day, beating a determined Leeds side 14-0. Two excellent tries by the fullback Val, one converted by Karen, who showed her usual excellent form. The last try of the day was scored by the Captain Kaye.

Well played all the girls, especially those who had to stand out due to the large numbers of players, (it wouldn't have been possible without you). Special thanks to Abi and Pippa for the excellent programme, Whitbread for sponsoring the event, but most of all Lonnda Harte, for all the hard work put into organising a very successful and enjoyable day. TEAM

Yvonne, Kiki, Lonnda, Figi, Sue, Jenny, Kathy, Bewsey, Islay, Lisa (Bigbird), Heather, Karen, Kay Same, Amanda, Lucy, Lisa, Sandra, Val, Abi, and anyone else who knows me.

# U.A.U. GOLF

On Thurs. March 8th the Lufbra Gold team won the Western UAU team championship at Mere Golf Club. They had a combined score of 619 ( 77 per round). which was excellent on a very touch course.

Jimmy Feeney finished third overall after leading at Lunch (lost his bottle!). Both Jimmy and Matthew Gardener were chosen for the Western WAU side to play Wales on March 28th/29th.

Congratulations also on beating Durham 51 31, and good luck against Cardiff in the quarter finals - there is really no stopping us this year.

The Union will be holding a lunchtime disco to celebrate the Tech end of term on FRIDAY the 6th APRIL.

However because of past incidents strict security

## TECH END OF TERM

measurers will be enforced on the day.

Only STUDENT UNION CARD HOLDERS and members of staff will be admitted to the Union Building.

NO other identification will be allowed. So please make sure that you have your UNION CARD!!
