## भारतीय प्रौद्योगिकी संस्थान दिल्ली INDIAN INSTITUTE OF TECHNOLOGY DELHI

# One of India's Top Engineering Institutes

Indian Institute of Technology Delhi is one of the 23 IITs created to be Centres of Excellence for training, research and development in science, engineering and technology in India.

In a reiteration of the contribution of the Institute towards the national narrative, in 2018, IIT Delhi was declared as an "Institute of Eminence" by the Government of India. IIT Delhi has been consistently ranked among the top 50 institutes globally for engineering. With the advancement and growth strategy of the institute now focussing upon internationalization, interdisciplinary research and industrial relations, we aim to translate latent possibilities into effective and actual benefits for the individuals, society and nation.
