

# Our pledge to you

The COVID-19 pandemic has affected all of us in 2020. At Loughborough University, our number one priority is the health and safety of our students and staff. The measures we have put in place are some of the most thorough and balanced in UK higher education. In fact, they have been issued to all British universities as a model of good practice by Universities UK. When you join us in 2020/21, we will offer you one of the best student experiences in the UK.

## Hygiene measures for your safety

- [free coach collection](#) from airport to University accommodation
- safe isolation in University accommodation, if required
- one-way systems and barriers to aid social distancing
- hand sanitiser stations across campus
- medical centre based on campus
- 24-hour health, safety and security support from University staff
