University Governance

University Ordinances

Ordinance XV

University Fellowships

(Version effective from 18 March 2016 until 1 August 2016)

1. The Senate shall have responsibility for ensuring that academic staff have the opportunity to apply for dedicated periods of time to focus on a particular activity or project in order to further the academic interests and standing of the applicant and the University (University Fellowships).
2. The Senate will provide a clear policy and procedure for the award of University Fellowships. For further details, see <http://www.lboro.ac.uk/services/hr/a-z/university-fellowships.html>
