

General Regulations for the Professional Certificate and Professional Diploma

(Version effective from 1 August 2003 until 31 July 2011)

- 1. Further to para. 9 of Ordinance XXXIII, for each programme of study leading to the Professional Certificate or the Professional Diploma there shall be Programme Regulations to be read in conjunction with these Regulations which shall incorporate a Schedule of Assessment.**
- 2. The relevant Faculty Board may admit to programmes leading to the Professional Certificate or the Professional Diploma students whose experience and qualifications are appropriate having regard to the nature and academic standard of the programme to be pursued.**
- 3. In order to qualify for the Professional Certificate or the Professional Diploma, a student must have satisfied the examiners by accumulating credit in the assessment of modules in the manner specified in the relevant Programme Regulations.**
- 4. The assessment of each module shall be conducted by a Review Board constituted in accordance with the provisions of Regulation XXII and acting in a manner analogous to the procedure set out in Regulation XXI.**
- 5. The Professional Certificate and the Professional Diploma will be awarded by Programme Boards constituted in accordance with Regulation XXII and acting in a manner analogous to the procedure set out in Regulation XXI.**

(remade June 2003)
