Library Quick Guide Accessing Online Resources

On Campus:

To access University Library online resources follow the links from...

or

or

>

Library Catalogue Plus

Reading Lists

Subject Databases

Each link will take you directly to your selected resource.

Off Campus:

Use the University VPN Client to access resources off campus:

Install the VPN client for your device from the IT Services website at www.lboro.ac.uk/itservices

If you don't use the VPN you will still be able to login, many resources have an educational login option.

Look for options to login via your home institution, UK Access Management Federation, or Shibboleth login.

Select Loughborough University from a list. Enter your University IT username and password at the login screen.

What online resources can I access?

You will find a wide range of...

eBooks

Journals &
Articles

Conference
Papers

Newspapers

Market Reports

View the online resources available for your subject area from the [Library Subject Guides](#).
