

# AMBA membership is free for students and graduates of AMBA-accredited Business Schools

AMBA exists to champion brilliance in Business Schools and nurture impactful graduates who will change business for the better. AMBA's network of accredited Schools has grown to more than 285 institutions in 75 countries, with over 55,000 MBA, MBM and DBA students and graduates participating in our global membership community.

## Valued by global MBA recruiters and employers

93% of more than 1,000 employers polled by AMBA in 2020 were positive about the value of an MBA from a reputable Business School, rating the performance of their MBA recruits as 'good' or 'excellent'. Demonstrate the quality of your programme by
