

DR Experience Board Team Role Description

There are two positions within the DR Experience Board Team working alongside each other as Chair and Vice-Chair.

DREB Team Responsibilities

- 
- 
- Act as a figurehead for the body of representatives who work to effect positive change to the experiences of doctoral researchers.
 - Lead, motivate, and support the DR Lead Rep team throughout the year.
 - Collect feedback from DR representatives and convey this to senior staff at the University.

- Represent the diverse views of doctoral researchers at an institutional level.
- Act as a liaison between senior staff and doctoral researchers about changes and developments.
- Chair meetings with DR Lead Reps (and other Reps, where appropriate) three times annually.
- Act as a point of contact and support for the DR Reps in each School and the activities they engage in.
- Liaise and work collaboratively with Doctoral College and other staff, including but not limited to members of the Doctoral College Sub-Committee and Research Committee.
- Liaise and work collaboratively with the Loughborough Students' Union and other staff, including but not limited to the Academic Representation team to feedback on Union processes and services.
- Champion the doctoral researcher community by primarily liaising with and being governed by the LSU President and working with the wider Executive Officer team.

Chair and Vice- Chair Role Benefits

- 
- Help to lead and make positive changes to the experiences of Loughborough's doctoral researchers.
 - Help to shape the research culture and doctoral researcher experience at Loughborough.
 - Gain experience working with senior academic staff and Loughborough Students' Union Executive Officers to bring about positive change.
 - Gain a deeper understanding of the inner workings of a higher education institution.
 - Extend your professional network and build strong relationships with staff and fellow doctoral researchers.
 - Have the opportunity to attend and contribute to formal University meetings.
 - Develop your leadership and management skills by gaining experience coordinating and managing a team of your peers.
 - Develop your transferable skills, such as problem-solving, negotiation, diplomacy, and time management.
 - Contribute to your annual training hours (maximum of 3 days per year).
- 
-
