

# CREATIVE COMMUNITY DAY

**Saturday 19<sup>th</sup> October, 12-5pm**  
Loughborough Students' Union

Loughborough  
University

### Make your own mark

Explore ways of expressing words through making marks on paper

*(Suitable for adults, and older children)*

### Photo Frame Making

Display your favourite selfies and photos in a unique frame made by you! Use a range of materials from stickers and jewels for personal customisation to old CDs that will create a mirrored mosaic.

*(Young children will require assistance)*

### Face-Painting

LSU Action volunteers will be on hand to transform you. Become a butterfly or try out a day as a tiger. Alternatively, why not perfect your scary Halloween costume by finishing it off with spooky face paint?

*(Suitable for all ages)*

### Glitter Jars

Create your own magical jars using glitter, glue and ribbons.

*(Young children may require assistance)*

### Bracelet Making

Design and make your own bracelet, using the thread and beads provided. Why not make one for a friend or a family member?

*(Young children will require assistance)*

### Floor Mural

Grab some markers and add a touch of your own creativity to our large sized floor mural!

*(Suitable for all ages)*

### Dream Catcher

Don't ever let a bad dream disturb your sleep, make your own dream catcher to hang above your bed!

*(Young children may require assistance)*

### Make your own Halloween Slime

Warning!! This experiment can get a little sticky. Create your own slime just in time for upcoming spooky celebrations and Halloween fun.

*(Suitable for 6 years old+)*

### Book Swap

Book swap is the perfect opportunity to share some your favourite stories with fellow bookworms and pick up an exciting, new read in return!

*(Suitable for all ages)*

### Poetry Competition

Take part in our competition by submitting a short poem in our poetry post box for the chance to win a prize!

*(Suitable for all ages)*

### Make your own Halloween Masks

As it's nearly that time of year again, why not get involved in creating your own Halloween face mask to match this year's costume in time for trick-or-treating?!

*(Suitable for all ages)*

### Purple Pumpkin Patch Workshop!

Try making your own poppy or pumpkin badge made out of bits of material and wool! Create one for yourself or a gift for someone special!

*(This activity is suited for older children!)*

We look forward to seeing you on Saturday 19<sup>th</sup> October!

# CREATIVE COMMUNITY DAY

**Saturday 19<sup>th</sup> October, 12-5pm**  
**Loughborough Students' Union**

**Loughborough  
University**

### **Book folding**

Learn how to make fun patterns by simply folding a book in a specific way!

*(Suitable for all ages)*

### **Training with Taxes!**

Listen to some live music and get involved with some music workshops.

*(Young children may require assistance)*

### **Make your own bookmark**

Create your own bookmark! The more creative you can get the better!

*(Young children may require assistance)*

### **Tie dye making**

Become a textiles expert and learn how to create different tie dye patterns that you can easily do again at home!

You get to make and keep your t-shirt!

Please note there is a limited capacity of t-shirts

*(Suitable children aged 8+)*

### **Build a Pavilion**

Your chance to understand and appreciate the architectural design process via a hands-on experience of designing/building a pavilion (based on Loughborough University's Architecture course).

*(Young children may require assistance)*

### **Fruit Route**

Why not visit the Edward Herbert Building and take a trip around campus to find out what you can find out from the nature surrounding us!

*(Children must be assisted by an adult)*

### **Make your own puppet**

Why not create a puppet of your pet or get into the Halloween spirit and create pumpkins and witches!

*(Activity is suitable for older children, adult assistance is highly recommended)*

### **Colouring Activities**

How good are you at colouring within the lines? Test your skills with our range of colouring and cut-out crafts!

*(Suitable for all ages)*

### **An introduction to Hand Weaving**

Have a go at using a table top weaving machine using cotton warps from our textiles departments!

*(This activity is suited for older children!)*

We look forward to seeing you on Saturday 19<sup>th</sup> October!
