VISION IN VEHICLES 11 PROCEEDINGS

TABLE OF CONTENTS

VISION AND OTHER SENSES

Kentucky Office for the Blind Bi-optic Driver Training Course
A L Moore

AGE RELATED EFFECTS

Pre-Attentive Visual Search: Effects of Age and Relevance To Driving
P Davison & J Loughman

Age Related Performance in Driving: Steering and Collision Detection
R Nui, and G J Andersen

Age Differences in Visual Behavioural Responses in a Simulated Driving Task
C Muir, J Charlton, B Fides, S Koppel, J Scully & M Hammer

Our Vision for Future Road Safety – A layman Practitioner’s Perspective
G Smith

CURVE NEGOTIATION

Eye-Steering Coordination and Driving: Eye Movements Benefit Performance Under Visual Denial of the Road Ahead
M Chattington, M Wilson, and D E Marple-Horvat

Driving in Curves with Constrained Gaze Orientation in the Vicinity of the Tangent Point
F Mars

Drink Driving Badly affects the Relationship between Eye Movements and Steering
DE Marple-Horvat, H Cooper and SL Gilbey

ROAD JUNCTIONS

Analysis of Glance Times on Stationary and Moving Objects in Intersection Situations
J Karlsson, J Bärgman, B Nilsson & J E Källhammer
Gaze Transitions of Young Novice, Younger Experienced and Older Experienced Drivers Stimulated Junction
H Middleton, D Litchfield & D Westwood

How Does Driving Experience affect Allocation of Attention in Complex Signalled Intersections?
J J Famewo, L M Trick & B Nonnecke

TRAFFIC SIGNS AND ENVIRONMENT

Saliency of Road Signs in Urban Areas
R Brémond & M Deugnier

Drivers’ Response to Moderate Decelerations and Accelerations in Adverse Weather Conditions
T Troglauer

TRUCKS

Visual Issues in Lift Truck Operation
D Giguère, N Gagné, S Vezeau

Truck Drivers Performance and Psychophysiological Factors
M Bergomi, S Rovesti, P Bussetti & R Vivoli

Visual Steering Assistance for Backing Up with One-Axle Trailer
U Berg

VISUAL ATTENTION

Driving Without Awareness: Examination of The Phenomenon
S Briest & K Karrer

Visual Clutter in the Road Environment and its Effects on Drivers
J Edquist, I Johnston, MA Regan & TJ Horberry

Relationship between Skill-Process of Machinery-Operation and Fixated Objects
T Nakamura

Head Motion during Simulated Driving
D R Mestre & J C Lepecq

Road-Centre based Measures of Visual Demand
P Kronberg, T Victor & J Ergström
SPEED

The Role of Scene Contrast and Optic Flow on Driving Speed
P Pretto & A Chatziastros

IVIS

Enhancing Driver's Vision with the Use of Prototype Automotive Head-Up Display Interface
V Charissis & P Anderson

Eye-Glance Patterns During Lane Change Manoeuvres
M J Henning, M Schweigert, M Baumann & J F Krems

First Look Manoeuvres in Rear End Crash Scenarios
R J Kiefer

The Effect of Anxiety of Gaze Behaviour, Eye-Steering Coordination and Driving Performance
M Wilson, N C Smith, M Chattington, M Ford & D E Marple-Horvat
